

Rally on the Raisin! American Military History Timeline

River Raisin National Battlefield Park

June 13th & 14th 2026

Greetings,

River Raisin National Battlefield Park invites you to join us for “Rally on the Raisin!” a Michigan Military Timeline on June 13th & 14th, 2026 in celebration of America’s 250 years of independence. This event will showcase the diverse array of both military and civilians that shaped America’s dynamic history spanning from the Revolutionary War period through the modern day.

Your participation will be invaluable in helping us honor this dynamic part of American military history. 18th & 19th Century historic weapon demonstrations, interactive camp displays, and educational programs are just a few of the ways we will be bringing America's military heritage to life.

Participants will receive ammunition, firewood, and water as well as a Saturday evening meal provided by the River Raisin NBP Foundation. Encampments and outdoor displays are welcome, and overnight camping on-site is encouraged!

Please reach out if you are interested in supporting our event. Additional event information will follow. We hope you will join us in making this event an unforgettable tribute to the soldiers, civilians, and families who have shaped our history and share our dedication to preserving our cultural heritage.
